ONLINE MEETINGS

SINCE OUR LATEST NEWSLETTER, THE PARTNERS ORGANISED THREE ONLINE MEETINGS VIA ONLINE PLATFORMS.

On the 3rd of March the partnership consortium met via Microsoft Teams to discuss the updates and developments. The main objectives of the meeting were to discuss the collection of materials under the Green Data Guide and the research of relevant Good Practices.

The next online meeting took place on April 6th 2022 via Zoom platform. The partners discussed updates about the Green Best Practice Guide Comparative report. Regarding the IO2 and the IO3 the necessary steps and relevant deadlines were defined.

The latest online meeting took place on the 30th of May 2022 via Microsoft Teams. A detailed progress overview of all the three projects results was presented by the partners.

Next steps and project management issues were discussed and the dates of the upcoming TPM were established.

TRANSNATIONAL MEETING IN SOFIA, BOULGARIA

The 2nd TPM of the STEAM3D Academy project took place in Sofia, the capital city of Bulgaria in 12 - 13 of July 2022.

The TPM was organised by NIKAROR and the Foundation "For our children" offered their conference room for the partners' meeting.

During this two-day meeting, partners presented the progress on their assigned tasks based on the agenda and the guides presented at the online meetings.

All issues raised were discussed and resolved and the next steps and obligations for each partner were detailed. The deadlines for the tasks delivery for each partner have also been discussed and determined.
